- Municipal Specialists
- Utility Specialist
- Home Owners and others

# Resources

## Find a Tree Professional Directory (Business Members of ACTC)

All Business Members of ACTC receive a detailed listing in the Find A Tree Professional Directory.

To find out how your business may become an ACTC Business Member, call us at 602-354-3023, or send an email to [info@aztrees.org](mailto:info@aztrees.org).

For tips on hiring a tree expert, please download this document from the University of Arizona Extension: [How to Hire a Tree Expert](#).

### Certifications/Credentials

ALCA, ANA, ASCA, ISA and OPM credential holders have the opportunity to list themselves in this online directory. This is a voluntary listing and may not include all the individuals in your area who hold a related credential.

To verify an arborist's ISA credentials, please use the Verify a Credential tool at <http://www.isa-arbor.com/findanarborist/verify.aspx>.

To verify Tree Professionals' credentials, follow the link to the credentialing organization below.

### Credentialing Organizations

- [ALCA - Arizona Landscape Contractor's Association](#)
- [ANA - Arizona Nursery Association](#)
- [ASCA - American Society of Consulting Arborists](#)
- [ISA - International Society of Arboriculture](#)
- [OPM - Arizona Office of Pest Management/Department of Agriculture](#)

We support canopy goals by educating people on how to properly plant trees, manage trees and keep trees thriving!
